Moneyroller - September 18, 2016, 5:35 pm

Krave is my long lost dad! I have been looking for him since I was 2 and 3/4. I forced myself to travel by foot through Japan and fight off ninjas. Alas, I had found him in Mongolia 6 years later of endless travelling and I saw him. He still accepted me as his son :) He is the nicest person I know!

You're beautiful and when u smile, its the prettiest thing ive ever seen. I know ive never really made it clear how much i like you, but ive been afraid you wont feel the same. Sometimes i think you're too beautiful for me. I miss you when we dont see eachother even though we're not even together. I thought id better let you know how i feel. Its pointless keeping these feelings to myself. You deserve

to know that u mean the world to someone. Love u Krave ,<3
