- Changelog:
- There was a huge typo in the Previous Facts section where i kinda fucked up and i guess i fixed it this time everything should be ok.
 - Someone suggested to make FOTD easier to read so i won't use colors anymore because i think they're cancer.
 - Instead of making the facts with Bold text i'll make them large/change the size to make it easier to read.
 - The fun fact won't be colored,bold or resized.
 - Trying to make the thread name longer.
