Thread: [Father of NY Bomber Gave Police Terrorism Tip in 14.](#)

12Chainz - September 20, 2016, 2:06 pm

Quote:The father, Mohammad Rahami, in a brief interview, said that at the time he told agents from the F.B.I. about his concern, his son had just had a fight with another of his sons and stabbed the man, leading to a criminal investigation.

“Two years ago I go to the F.B.I. because my son was doing really bad, O.K.?” he said. “But they check almost two months, they say, ‘He’s O.K., he’s clean, he’s not a terrorist.’ I say O.K.”

He added: “Now they say he is a terrorist. I say O.K.”

Federal agents did not interview Mr. Rahami, according to officials, and closed the investigation after several weeks.

So the guy learn about making bombs, the FBI check him and found nothing ? It's weird

Stashy - September 20, 2016, 5:14 pm

there have been cases like this before where the fbi have received tips but fail to do anything

Stashyy - September 20, 2016, 5:15 pm

LOI they didn't find nothing on him and then he goes out and boom something happens. Well it's the governments fault for not checking on him properly.

If they fail to find evidence (witch i'm sure they have all the resources to) they legally cannot do anything.

It's shitty and it sucks, but yea that's how it is.
