Thread: [best method to partition macbook](#)

wilgary43 - September 21, 2016, 1:42 pm

I would like to install windows on a part of my macbook 8GB/128GB
is this config enough or suitable for partitioning? please refer me to the best method

Have you ever used bootcamp? I know a buddy uses it on his mac to dual-boot Windows and it works perfectly for him.
