Thread: [I give 50\\$BTC for a custom blind SQL Injection](#)

RichHeart - September 22, 2016, 10:18 pm

Hello I give 50\$ btc for the first that will hack my website and show me how!

BLIND SQLi

MY SKYPE: postbai_16@hotmail.com (ArabGame)

where is your website, and why you said Blind Injection?

it might be vulnerable and injectable with union based or error based which are both far worse than blind

Please attach your site here :)

HiddenEyE - September 25, 2016, 9:02 am

OP is having 1 post and tell me are you paying upfront
