Thread: [Twitch Banner and Logo?](#)

Seabee - September 23, 2016, 5:27 pm

Looking for a simple twitch banner and logo.

My twitch name is King Scruffy,

preferred colors are black and white;

possibly have a glitch effect in the banner or something cool?

Thanks in advance!

Maybe like a KS with a crown over it or something, black and white, I don't know really, surprise me?
