Thread: [graffiti signature](#)

Shame - September 27, 2016, 9:16 pm

need that lit signature
jus sayin my name and white
grafitti type would be dope

examples of what i mean:

<https://i.imgur.com/0r0js8K.png> (without that shit red / blue for glitch effect)

<https://i.imgur.com/7f6WDyq.png>

??ZèP* - September 27, 2016, 9:27 pm

There's literally a site for this.

How did you make those, may I ask?

Tunechi - September 28, 2016, 2:00 am

Had to re-do it. I don't like saving fg psds.
