look at this sick card man!

Conor McGregor vs Eddie

Lightweight title vs Featherweight title!

vigoone - September 28, 2016, 5:25 am

This is Hugh , 3 title fights , Its going to be interesting to Mcgregor at 155. Betting on Tyron Woodley for knockout :)

mckaizu - September 28, 2016, 7:16 am

if conor get dual belt.. he making history of mma for the first time! but can he do it?

vigoone - September 28, 2016, 1:52 pm

I think he can. He will be stronger and have better cardio att 155, 145 is not good for a "big" guy like Conor. Too much weight cut. I think that mentally he is even stronger, especially now after the Diaz fights , that loss did him well. I like eddie but that fight against RDA was a lot of luck. I believe that Conor will pick eddie slowly apart,

SIM-403479 - September 28, 2016, 1:53 pm

I hope that conor wins the fight.

FamousHater - September 28, 2016, 1:53 pm

all it shows is the ufc is renamed to ultimate fighting conor

Haha thats a good one. But ufc owed Conor a fight at lightweight after RDA pulled out. Conor is big business and as always money comes first.

I feel bad for Khabib that did not get the fight he wanted. But he will eventually get his title shot and maybe against Conor :)

pcanningg - September 28, 2016, 4:10 pm

For the good of the sport I hope Conor wins, its nice to see people making history especially with his story

mckaizu - September 29, 2016, 12:10 am

ohh conor..?

He is as entertaining outside of the octagon as inside

This is the best card the UFC has had by a long stretch.

I see this as another challenge for McGregor. Conor will have the reach advantage like usual but if Alvarez can make it past the second round, McGregor will tire and he can go for a takedown. We saw a glimpse of McGregor takedown defence against Diaz but for some reason I feel as if Diaz was too reluctant when going for the takedowns. Either way, huge fight.

I also see Joanna picking apart Karolina. I love Karolina but it's hard to see her overcome Joanna.

Honestly, there's at least 4 fights on this card that could main event and probably 8 of these fights could easily be main event of a Fight Night, so that says something about the enormity of this event.

vigoone - October 4, 2016, 12:16 pm

What fighter's do you guys pick out as the winners?

My pick :

McGregor

Woodley

Jedrzejczyk

Weidman

Nurmagomedov

Edgar

Cerrone

stabil02 - October 4, 2016, 1:54 pm

Whilst I admire Conor, he really should have vacated the 145 pound belt since he hasn't defended yet. This would mean for 205 he would defend and Khabib would get the title shot against Eddie but w/e

I can see the fights going as you predict, but i hope for KO/TKO in 3 fights, McGregor -Alvarez , Woodley- Thompson and Khabib - Johnson.

Halden - October 6, 2016, 4:33 pm

Khabib doesn't deserve shit. But really hyped for this 205(200) card and especially Joannaaa!

Dark Neko - October 8, 2016, 12:34 am

Casual fan here, looks like quite a solid card thus far. Quite excited for the main event, Conor's fights always have a special buzz around them. I hope Wonderboy manages to pull out a victory and on a side note, I hope Jose Aldo doesn't end up retiring he deserves a rematch for the title.

mystic_mac - October 8, 2016, 3:07 am

I'm Mystic Mac and I predict I KO that fooking bum Eddie in under 1 round !
