Thread: [EBAY CASH FARM | 18 YEAR OLD MADE \\$400/WEEK | WHITE HAT| MAKE THIS CASH | EASY](#)

Cash - September 28, 2016, 1:09 pm

(Sep 28, 2016 01:18 PM)BorzoI Wrote: [\[CITE\]](#) Just received a vouch copy.. Wow this is genius.

I wish I had thought of this because I do something similar but man this is a good one. The grammar is alright, couple capitalization errors but that's not what you buy the eBook for. The method is fantastic, I'm following the steps in another tab right now because I can totally see how this works.

I warned him not to sell many copies to prevent any saturation, up to him to heed to it or not. But I recommend this to anyone looking for easy profit.

(Sep 28, 2016 01:29 PM)Hanzo Wrote: [\[CITE\]](#) Very original and great method. Easy money will come from this is if you have the investment and time.

GLWS OP! You have my vouch.

(Sep 28, 2016 01:38 PM)ryand8 Wrote: [\[CITE\]](#) Thread Design (3.5 out of 5)

The layout, while not the most aesthetically pleasing is extremely simple and easy to follow. It has pictures, easily read font and is sectioned out appropriately.

Grammar and Language (5 out of 5)

I'm very happy with the verbiage and grammar. I looked for awhile and couldn't find any mistakes that would hinder the guide itself. It's written very well, explained detail by detail and flows smoothly when read.

Likelihood of Success/My thoughts

I'm going to be as honest as I can without revealing the book itself. So, I've had the opportunity to go through a few eBooks like this myself and with each I find they are all the same thing. They tell you how to make money, but you need to find your own niche. What's different about this is he actually provides you the niche and tells you exactly what to do. There's not really anything that leaves it up to you.

I wouldn't really say the eBook is something completely different and if you're expecting that you'll never find it; however, I will say this is definitely higher quality than a lot of other eBooks you'll find on this forum and I might actually give this a shot myself to see how it goes.

HUGE vouch for this young fella , the ebook was so easy to follow and it will surely make you earn some real cash

with just a little effort and investment. ?

never though it is so easy to make money with this method .?

good luck with sales mate !

Cash - September 29, 2016, 7:09 am

Thanks to everyone who left reviews, sales are open.

?ersace - September 29, 2016, 10:35 am

This is a unique method in its way. It's stable and overall a new method not public to anyone. The method can gain \$400/week but it needs a bit of hard work. You should see you first money come in fast, though.

Overall: 6.5/10

Cash - September 29, 2016, 1:20 pm

Raleway - September 30, 2016, 10:46 am

REVIEW

I recieved a vouch copy for an unbiased review in return, so here it goes.

Grammar 10/10:

It was easy to understand everything that was written in the e-book and you won't have to read it over again once you're done due to how straightforward and comprehensible it is.

Method 8/10 :

This method is something you probably might've seen a bit of it around before but what it actually goes into has not been seen so you're probably going to learn something new for sure.

Overall 9.5/10 :

You are going to make money with this method but you are going to need an investment, so if you don't have that then this won't be for you. You might've seen one part of it before but don't let this discourage you the method that he goes into you won't find it anywhere else.

Sophocles - September 30, 2016, 11:25 am

If you're willing to shoot me a vouch copy, I'll make sure to test your method fully and come back at you with a full and honest review.

I have funds to invest, time, and have made money before : I am not offering to give a random opinion on your ebook, but actually do what's written in it and come back to you with the output, stating what I have invested and what I have gained aswell as what I'm expecting.

Still for sale! Cop this E-Book now!

Cash - October 3, 2016, 7:18 pm

Feel free to contact me with any questions!

Visualize - October 3, 2016, 7:21 pm

Do you send a digital item or physical item

This is actually something more unique, which I am very impressed with. It is a whitehat method, and not the shitty sell Windows keys or the blackhat guide method.

I think the possibility of making a lot of profits is pretty large. All in all, I am satisfied with my purchase

Cash - October 4, 2016, 10:25 am

Well about half of them bought it and I'm not sure who would buy an eBay guide without an account

cobey321 - October 6, 2016, 12:24 pm

Hi mate is there any proof from customers who has purchased this as I'm interested, will this work with uk eBay accounts and is there risk of my account being banned? Does the involve auto cad software?

S5ean - October 6, 2016, 2:29 pm

No one has posted any proof with this, Does this involve selling virtual items? Such as accounts? Cryptocurrency?

Cash - October 7, 2016, 9:57 am

I second this statement, It sounds interesting but i have yet to see anyone make any money from this.

Zotima - October 8, 2016, 12:19 am

I don't mean to sales trash but , if you can really make 400\$ per week using this method , you wouldn't be selling this ebook for 20\$/ copy . lol ,this goes to almost all the ebooks on the forum (Not all)

Cash - October 8, 2016, 11:59 am
