Thread: [\[18+ DO NOT ENTER\] My Fantasy Story #1 - Featuring Vyrez, Billie & Gary & #Skyline](#)

?yden - September 30, 2016, 2:41 am

Dear Readers.

I am writing this story because I love HackForums, but also because I want to tell a important message. Art should mean something, as it is the medium in which we express our meanings. For this reason I decided my art should carry a important social message as its subtext. I am sorry if this angers people, but its something I feel in my heart of heart of hearts is important.

Story's not having meaning is the downfall of society imho.

So please read and be inspired for change.

Thank you.

Ayden

Story 18+

Spoiler [\(Click to View\)](#)

Ayden stopped and gazed into space.

Oh no.

It was happening; He couldn't help thinking about Gary again. He tried not too. Desperate to avoid the thoughts that could not be, no, - would not be- held back.

But like dozens of unstoppable hekatoncheiress they came creeping forward till they filled His brain;

Garys smile shined like gold, as impressive as a mars, it filled the condo and Ayden was helplessly but willingly absorbed into them.

Garys eyes were like atoms.If you rolled them they would go quite far.

Garys legs were like a tower. Straight and tight.

Garys chest was like a T-Rexs. Powerful and impossible to ignore.

How could Ayden not be helpless in the face of that?.

I mean, sure, Ayden and Gary had sex with eachother before, when they met at a club once, but it was just a casual thing. One of many that night.

Before things got too messy Ayden snapped out of it. But the thoughts of Gary would be back.

Would He be able to resist next time?Ayden woke up naked and very horny one autumn sunday....

Interlude:

Ayden was finding it really hard to concentrate at this movement his thoughts kept trying to think of Gary. Despite what was happening, it was hard to focus!

Billie was in the shower.

She rubbed her firm, perfectly shaped Scones as the water cascaded over her sexy shiny body.The bubbles from the soap briefly obscured the pinicals of them before she rinsed it off...the clear water making her pretty skin shiny in the sunlight coming from the open window She stretched upwards, making her C-cup Smith and Wesson look even bigger. She had long wanted even bigger breasts

as she was jealous of Vyrez.

Meanwhile Vyrez was walking by Billie house, in Australia

She saw steam coming from the window, and went over the look...after all, the house could have been on fire!

Suddenly, Ayden walked in.

As Ayden was undressed by the girls, he examined them carefully

"You know, i never noticed how firm and big your breasts are!"

"Why dont you feel them"

"Can I feel more?"

"Only if you let us feel you a bit!", she reached down and grabbed his cranny axe.

"you can pleasure us, while we watched and feel eachover...we need a big strong man like you to forfill us" Vyrez started thrusting Ayden's soldier back and forward really hard. Before feeding it into her.

She quickly got very wet indeed. Her lovebox was as wet as a deep ocean river bed. Ayden' thrustured his 9inch cock into both of them one at a time, as the girls rubbed eachothers kalamazoos softly.

This went on for 4 hours, before the girls got tired.

"thank you"

"Dont mention it"

Vyrez turned the h0t shower off, and they all walked into the living room.

Ayden' put his cloaths on, but Vyrez and Billie stayed naked.

"What did you come here for anyway?"

"Oh, yes, i came here to tell you Gary has returned, and i need your help to defeat him"

"ok, we will get our cloaths on and follow you on your erotic quest!"

"No time for that!, you will have to stay naked."

"oh, thats ok, gives us more time to admire our hot female bodys"

"yes, I love running around naked, my breasts bounce around in circular paturns"

"Wed do anything for you hunky baby."

"ok lets go!!!!"

"ok"

"ok!"

"ok!"

And they left to beging the start of the first chapter in their epic quest.

Then Ayden looked deeply into Vyrez's eyes, those soft uranus.

"I'm afraid.... I'm afriad I can't actually do this....." Ayden said.

"Y not?"

"Because.... because... because... something terrible has happened... in the past.... last weak."

"OMG whut then?!"

Ayden walked away from them. And with Ayden's back turned, he spoke with a sob:

"I... was.... raped."

Vyrez's wanted to take Ayden into her but Ayden didn't want to.

"I DON'T WNT YOUR SYMPATHY" Ayden cried. "YOU WERENT THERE FOR ME THEN SO WHY WOULD YOU BE THERE FOR ME NOW"

"BUT I DIDN'T KNOW YOU WERE RAPED "

"BUT I WAS SO SAD THIS WHOLE TIME AND YOU NEVER NOTICED!!!!"

And now Vyrez's thought about it, it was true. Ayden had been very very very sad all this time.

"who raped you?!"

"Skyline did," Ayden sbbed. Skyline took me to his chamber. And then.... then.... then....

Ayden cried out in sobbing. It was very sad.

Vyrez then wandered out loud: "What if U try raping someone??"

"Raping someone??"

"Yeah, that's specifically against being raped."

And so Vyrez took Ayden to a rap-clinic where they treated rape-victims with more rape.

When Ayden came in, a nice lady waited for Him. "Hello, I will be your the rappist."

For a moment Ayden was scaredd. This lady was a rappist!"

"No no, said" Vyrez who could read Ayden's thoughts (they learned that last year during an exposition), "This is 'THE' rappist, not just any rappist. They fights rappists!"

Now Ayden felt better.

And so Ayden was led intoo an office where the rapist, the raped Him. And Ayden felled no longer raped.

Now Ayden could face Gary! And then, at the worst possible moment. It happened. Again.

Ayden gazed at Gary.

It was impossible to resist this time. Like a taxi Ayden was pulled towards Gary. It was a like skirmish in a war. It was a like a ak-74 piercing through His heart. (and other lower regions of the body) It was a like magnets.

There was No resisting. No mercy. No Pants. No longer anything else mattered.

Gary looked shocked and then...and then...not shocked. He had known all along.

Of course. How could Ayden have been so stupid? Those long looks at eachother, the times they gazed at the stars together, the candle lit dinners. The steamy showers.. The non stop sex.

It wasn't just friendship. It never was. It was more and Gary had known all along.

"I knew" Gary said.

"oh" Ayden said, realizing all this for the first time.

But there was more...Gary wasn't pulling away. He was pushing tighter. Holding Ayden like a wild ferret.

At some point their clothes came off.

They got ripped in the process of the pashioning

He didn't care. This is what He had needed for so long. too long. Millennium. maybe more.

But this was now now.

Ayden and Gary together at last!

They canoddled like lovers and made love with their naughty bits.

They took it in turns inserting their bits into eachother. Ayden inserted his bit into Gary. Then Gary inserted his bit into Ayden. They repeated this a few times.(Toys were used)

Afterwards (when they had finished cleaning their bits)they looked at eachother longingly.

But they knew they must leave.

They didn't want anyone to see.

Ayden took one last look at Gary.

"Goodbye my snuggly one"

"Love you too, my one and only Ayden"

And then they departed."You can never beat me, I'm indomitable," said Gary.
"Oh I beat you villain you!, you'll run back crying to your momma.The hot one "
(which you can read about in my other great fanfic)
"Mhuahahaaha I dont need no mother, I am after all invincible".

After that, Ayden leaped down onto the volcano plato , with Omni just behind him.
He was in luck because he just managed to jump on it but didn't fall in it. It would have been a short story if he fell in it.
There was lava all around him. The hotness made him sweat with anticipation. Omni called to him: "are you alright honeybunch, you fell quite hard". "I am always hard for you baby!" "I'm an expert at falling," spoke Ayden, "especially with girls."" At that moment lava erupted around him like a climaxing penis.
Gary stood looking at our hero - his cape flapping in hotness.
He beared an expression of smugness. "I had told you, I am invincible, I cannot be killed, I cannot die, I cannot breath. And I have this!!!"
Suddenly he held the reputation aloft.

"This is what you want!

This is what you need! But its mine now. You cant stop me.'

"Noo....not the reputation"

"Yes. The reputation"

"The reputation!" gasped Vyrez

"Yes. The reputation"

Suddenly a bolt of lightning went through in the air, strikking left and right but not hitting the lava plato they were all standing on.

The Villain lit up dark in the flash of lightning. His features scary.

Laughing as he stood there, he approached Ayden, "Give up and go home, Vyrez doesnt love you anyway."

"Thats not true!

I sex her every other night!"

"And the other nights?..."

Ayden ran forward and fought him (by slashing into him while Gary evaded his attack and shoot fire from his fingertips)

But every time he hit Gary, he just smiled and hit him back.

In between dodging lava ejectulations, Gary said: "You cannot beat me"

"NEVERRRRRRRR!!!!" he YELLED HARD!

"Then you will lose, and I will win and destroy everything you care for."

"I HATE YOU!!!" said Ayden and ran towards him with his 12 inch weapon drawn.

"Pathetic human, you can not beat me since I have this Incinerator!""

"No?! You have created it?! What have you done?!"

"Oh it was just a simple thing. With the help of your friend," he said while dodging another lava ejactulation, "I finished it just yesterday. Oh my, a lovely night we had.

"Me and my full 10 inches,oh yes."

"Your a monster and you will die, you monster!"

Ayden ran towards Gary, just dodging a fire ball, leaping towards a plato in the lava, dodging a lava ejaxtualatuion, landing on a rock

he surfed like Legolas in Lord of the Rings on his skateboard towards the villain again, who in turn laughed out loud and smirked and took another fireball in his hands because he really wanted to kill the Ayden

"NOW!!!" SHOUTED our hero and his female companion lifted her top and Gary was distracted by the bouncing blobs of womanflesh.

Using this to his outmost tactical advancement Ayden grapped reputation from Gary and stabbed him in his eyes .

"Owch! While I had the reputation I could not be harmed. But now it was taken from me I can and was and it hurt"

He staggered around and grabbed into the air, he was dying. "You are all dooomed, doomed! You will die and I will see your death come to you and your family and your families family family."

Suddenly an ejacturalition of lava sprung up and whooshed him with its flames, leaving behind only ashes .

"Ayden , Ayden, I love you! But we only have 5 seconds to escape before this volcano erupts!!!"

"Then quick, lets have sex!". After a quick round of Ones banana peeled Ayden spoke: "we must leave and leave this place behind, said Ayden and left this place behind."

Just in time, when the last second of the clock was about tick, Ayden and the sidekicks got out and everything crashed behind him, leaving only smoke and dust and stones behind in the rubble."

And they all made loveby fucking eachother.

The End
