Vouch for axe and his methods, received a vouch copy, and he did exactly what I wanted. I would recommend this to anyone who plays bo2.

I'll take a vouch copy for the Co-host if you deem me trusted.

So i received a vouch copy and i am very impressed.

After i requested a vouch copy, Axefredderf was quick to add me on Skype and called me and explained the menu and asked which one i wanted.

He was extremely friendly throughout the hour and always asked me if i was ok and if i wanted anything.

After all of that i ended up donating what it would have costed for the co-host as i was very impressed about how my vouch copy went. I had a great time playing with him and hopefully will play with you soon.

Vouch for axefredderf, will defiantly will be paying again in the Future.
