Thanks ^ _ ^

Q2GG - October 3, 2016, 9:28 am

Very cool, looks pretty professional!

Pixelink - October 3, 2016, 1:51 pm

Its a sweet design. Id be interested to see where if would be applied. I like that the simple light blue color details the crevaces and shadows of the horn. It really does a lot for it than simple being an outline.
