After that ending I'm surprised it's not in last place.

Hell yea man I have watched a lot, but recently slowed down since I have found any that interest me.

NetJunkie - October 4, 2016, 12:49 pm

wow I'm amazed you rated owari no seraph above Hellsing ultimate. I actually watched only those two and really really loved Hellsing, a shame it was so short. Actually there is a 3 episode prequell to hellsing ultimate.

That's a nice list, already watched 1,3,10 so going to leave this here to check the other later <.<

I feel like reading a light novel - and because now Kyoukai no Kanata comes highly recommended as a good anime, I have high hopes for the novel and will give it a shot :)

EDIT: No translation :(

Ao No Exorcist S2 hype boys.

Devixx - October 6, 2016, 7:58 am

Only vampire anime I've ever watched was Dance in the Vampire Bund. Not sure why that's not on your list bc it was pretty good but okay.
