Thread: [Good Netflix movies to watch \(American Netflix\)](#)

Kylo - October 3, 2016, 8:46 pm

Not in any particular order, also I saw Gachi's thread about movies so I decided to make one about movies on Netflix. Also this is all from American Netflix

Spotlight (2015)
Consumed (2015)
Short term 12 (2013)
Coldwater (2013)
How I live now (2013)
Dope (2015)
The lovely bones (2009)
Wildlike (2014)
Into the wild (2007)
The fundamentals of caring (2016)
Shelter (2014)
Jamesy boy (2014)
Nightcrawler (2014)
The longest yard (2005)

These are the only ones I can think of at the moment, I'm really picky when it comes to movies. Leave suggestions below, I know I have forgotten some movies. I will add more later tonight or tomorrow

I've always contemplated if I should stop, drop, shut 'em down open up shop and leave everything behind. But I like money so I can't do that.

I don't think deadpool is as good as people make it to be.

If, by any chance, you still are looking for good titles to probably binge watch on Netflix, I recommend a few:

Narcos

Sense8

Breaking Bad

House of Cards

Master of None

The Flash (series) and The Arrow (series)

benzocaine - April 22, 2017, 4:49 pm

I recommend you watch the Marvel Series: Daredevil (2 seasons available), Jessica Jones, Luke Cage, and Iron Fist (released recently).

Once you've finished all of those, I would recommend you watch Breaking Bad (and then afterwards, Better Call Saul).
