Regulus - October 6, 2016, 8:27 am

Would be very nice to win this so I can save up some money again.

The one that hacked my HF Account stole my last \$70 BTC I won in a contest here on HF.
And thats a lots of money for me so it would be so nice to start saving up again.

Made a new blockchain account via The app on my iPad :)

Thanks for doing this, really means a lot and good luck to everyone else!
