Thread: [Free HQ Anime Wallpaper Pack \(Around 244 images\)](#)

S????i - October 9, 2016, 10:49 am

Apologies for the delay, the anime wallpaper pack is finally up

This giveaway is for UB3R and L33T only mainly due to the amount of time I've put into making this HQ wallpaper pack.

Drop me a pm if you'd like to get the wallpaper pack <3

I might open this up to regular members eventually depending on how many people are interested in it.

There's a readme file within the folder.

Please take a moment to give that a skim

Thank you!

It's pretty close to half and half. There aren't any NSFW images, either.
