mr_pedowbear - October 10, 2016, 8:12 am

This is a dutch only hacking group that searching for new members
We will focus on gray hatting

What are we looking for ?

-Newbies

-Peeps with intrest in hacking

-Just frienly peeps

We will teach all the people who join how to code and if you are a skid we will make your pc virus free and get you started coding

Which programming langs are you gonna learn ?

That depends on what you want

If its your first lang we reccomend python,html,css

if you prefer another lang thats just fine

How can you join ?

Simple by sending me a DM/PM/MESS with your skype name

THIS IF OR DUTCH PEOPLE ONLY
