Thread: [Worst Cable Management on HF?](#)

?A5? - October 10, 2016, 10:53 am

Just walked by my desk today and thought about how clustered my cables are. Does anyone have worse cable management? Post some pictures!

Here are my cables:

So many cables everywhere holy shit man at least give it a courtesy clean before you snap the pic

shreder - October 10, 2016, 2:28 pm

oh yeah man that is pretty bad haha

MrHappy - October 10, 2016, 2:29 pm

Your cable management is terrible however who's is ?

DEADZ - October 10, 2016, 2:53 pm

Lmao! I've seen worse though. This would take 15 mins to fix.

Was talking about turning it on, not off, in windows case it's faster to walk around and unplug than wait for windows to shutdown XD

The cables behind my TV for gaming consoles and sound equipment are done pretty terribly

SanctualProductions - October 10, 2016, 9:23 pm

My computer area is messy af and needs to be cleaned lol

Argyl - October 10, 2016, 9:23 pm

Not so bad, such a easy fix xD Don't be lazy make it pretty!

Heart - October 10, 2016, 9:29 pm

im not a lazy piece of shit so everything is neat

Did you rage and throw your controller back there? LMFAO

Baked Moses - October 10, 2016, 11:14 pm

Holy shit OP that is messy lmao. Lemme take a pic of my cables real quick

Glyco - October 10, 2016, 11:16 pm

I use zip ties on my cables so they don't get tangled.
