Quote:Disheartened with judo, college student Haruki Bando was invited by his childhood friend Kazuma Hashimoto to create "BREAKERS", an unprecedented boys' cheerleading team. Those that came to join all were very characteristic in nature: argumentative Mizoguchi, voracious Ton, frivolous Kansai boys Gen and Ichiro, and Sho who has cheerleading experience.

Season(s): 1

It somehow looks entertaining, so I'll watch it and let you know what I think after.

2 episodes in so far and it's actually enjoyable. I won't lie in saying that it's not what you're used to, but it's not that bad in my opinion. Yurii on Ice is probably the same genre.

So it ended up being way more enjoyable than expected, and for that I'll give it a 7/10. Good watch if you want a serie with 12 episodes and just relax while watching it.
