This 3 part OVA series serves as a prequel to the manga of [Mahoutsukai no Yome](#)

This show does not need to be watched before or after the manga, watch it if you are a fan or not to either extend your knowledge of the universe or start off in it.

Synopsis courtesy of MAL:

Chise Hatori has lived a life full of neglect and abuse, devoid of anything resembling love. Far from the warmth of family, she has had her share of troubles and pitfalls. Just when all hope seems lost, a fateful encounter awaits her. When a man with the head of a beast, wielding strange powers, obtains her through a slave auction, Chise's life will never be the same again.

The man is a "magus," a sorcerer of great power, who decides to free Chise from the bonds of captivity. The magus then makes a bold statement: Chise will become his apprentice—and his bride!

I think this OVA had an amazing start and I am so keen for more. The world is dark and mysterious, along with some of the characters. The art is beautiful and everything is done very well.

I wanted to watch this but I want to wait until the other two episodes are released. Unfortunately waiting a year for three episodes is quite hectic.

I remember reading about using pre existing threads vs making a new thread. Hope im not gravedigging, but this is truly something that does not deserve to be associated with death. I believe this Anime/Manga is very much alive ^_^
