Thread: [Black Shades](#)

Larry Hoover GD - October 11, 2016, 10:36 am

Who was 1st one to prove blackshades was backdoored? The old warrior?

Biker BoyZ - October 11, 2016, 10:37 am

No one cares and its the end of this. serious attention whore.

kray - October 11, 2016, 10:37 am

I think it was my dad, I'm not sure though, I don't really talk to him. He doesn't have a computer.

Prophett - October 11, 2016, 10:37 am

Blackshades is old news my nigga

I know they are thirsty for post count im guessing smh

CertifiedDoxer - October 11, 2016, 11:00 am

if you want the true blackshades revealed, you know who to ask around here

he thinks his black shades will hide his real identity, and tbh it has worked so far

2bad it won't any longer, im around now

I love that guy. One of my HF heroes fr.

jujuger - October 11, 2016, 11:31 am

I bet some of the RATs here are still currently backdoored

Mewtw? - October 11, 2016, 12:41 pm

Remember when the guy posted the thread here and visceral was attacked everywhere.

Same for the russain guy who hacked the client so everyone was able tu use BS for free
