If enjoyed +rep would be nice

Good for making someone have to shut off there computer.

Look at my other vids as well thank you.

this is soo basic. And don't ask for +reps, that will get you -reps.

brent328 says: fail

Don't want to waste time watching the video. Is it...

@echo off

:repeat

start

goto repeat

Lol

My other vids do deserve plus rep though ok you should watch those permshutdown and the password changer.

No it is not that

quit dising my vid It is a basic yes but that does not mean you have to dis it.

It is a good vid for noobs this will attract a staff member so quit going on and on how basic it is I already got a warning level.
