We've all seen this episode mate. This episode was almost yanked off Nickelodeon and it's rarely played now.

It was never almost either. They still air this it's S8

And they still air one coarse meal which they laugh about someone committing suicide on the road

Much encourage. Wow. Very agree.

In all honesty I think it's a staff troll because he'd be long-gone if it was real.

Wixel - October 11, 2016, 10:27 pm

There are some parts in SpongeBob that could've completely ruined the show.

Already did.

Pretty sure this kid has some problems with brain connections.

Im pretty sure originally the show was an adult show but got picked up as kids show so the writes left some minor adult humor
