Thread: [The Antivirus Hacker's Handbook \(a \\$49.99 value\) FREE for a limited time!](#)

SHOLLEX - October 12, 2016, 4:43 am

So I decided to giveaway this Ebook, bought it before 2-3years and it really helped me alot with many, many things.

So I though I could maybe share it with you guys.

Hack your antivirus software to stamp out future vulnerabilities

The Antivirus Hacker's Handbook guides you through the process of reverse engineering antivirus software. You explore how to detect and exploit vulnerabilities that can be leveraged to improve future software design, protect your network, and anticipate attacks that may sneak through your antivirus' line of defense. You'll begin building your knowledge by diving into the reverse engineering process, which details how to start from a finished antivirus software program and work your way back through its development using the functions and other key elements of the software. Next, you leverage your new knowledge about software development to evade, attack, and exploit antivirus software—all of which can help you strengthen your network and protect your data.

While not all viruses are damaging, understanding how to better protect your computer against them can help you maintain the integrity of your network.

In this book you will be learning how to :

- *Discover how to reverse engineer your antivirus software
- *Explore methods of antivirus software evasion
- *Consider different ways to attack and exploit antivirus software
- *Understand the current state of the antivirus software market, and get *recommendations for users and vendors who are leveraging this software
- *380 Pages well explained, pictures included. - No big fonts nor BS.

So just let me know below if interested, limited time offer, I'll be sending this just to people that I find to be legit.

Danny Khalifa - October 12, 2016, 4:45 am

Would love to get this.

Thank you very much in advance

adrielgolabek - October 12, 2016, 4:45 am

Hey could I have a copy of this? Thanks in advance

ISellBTC - October 12, 2016, 4:46 am

Giving out a copy buddy, if so, HMU.

PM Sent.

V O X - October 12, 2016, 4:54 am

Ill take a look at this thanksop

EM1EL - October 12, 2016, 4:57 am

Hey man, could i please get a copy from this ebook? thanks

SHOLLEX - October 12, 2016, 4:59 am

Sent to everyone from above for now.

Danny Khalifa - October 12, 2016, 5:20 am

Received the method.

Thank you very much!

Mr. Corleone - October 12, 2016, 7:20 am

This looks very appealing and interesting for the curious mind; would I be able to receive this from you?

Thank you.

Thank you.

Sent PM.

Will be doing this for few more hours and then closed.

rapidfire08 - October 12, 2016, 8:45 am

Can I please have this? Thanks mate.

TheWHO? - October 12, 2016, 8:49 am

Would love to get this.

Thank you very much in advance

blackua - October 12, 2016, 8:51 am

Can you please send me this guide. Thank you so much :)

SHOLLEX - October 12, 2016, 9:47 am

Sent to yall, enjoy ?

Mi2414 - October 12, 2016, 9:50 am

Would love to get a copy of this, Thanks in advance!(!:
