Thread: [Craze Giveaway | Unique & Generous!](#)

Craze Products - October 12, 2016, 6:28 am

I'm feeling very generous and just landed a huge client IRL. If you've recently been scammed in the past month. Give me your btc address and I'll send you a payment. Just post below with your scam report. This will only count if the scam has been unresolved for longer than 7adys.

Yes I believe this is allowed, the payment will be atleast 5\$ depending on how much you was scammed. However if it's not allowed - I apologies in advance.

Code 10. All money giveaways must be at least \$5 per member and be in crypto currency only.

It's the least I can do after all the drama which has been created in my name in the past few days. Just want people to know I hate being scammed and would never dream of scamming someone. It's just a little thank you to everyone but especially those who have been a victim of a scam.

Your luck depends on how unlucky you was in the first place.

I feel like i haven't explained myself so I'm just gonna leave this here.

I'm gratefull for the money you gave me, I really appreciate it. Thank you once again. I only messaged you because I tough you were giving full amount of money and you mistaken me for another member. That's all.

I don't really give a shit if you think I'm selfish skid. I'm not but you're more than welcome to consider me selfish skid. By the way Danny Khalifa you forgot to -3 rep me.

Cheers!

I'm not a charity refunding everyone's scams. If you had read the thread you would have known. It's too late to apologise - the damage is done. You're a very ungrateful child.
