How about you grow the fuck up you fucking 12 year old with 1 mm cock. Making scam reports on random people on HF is like telling the world that you're a basement dwelling f4g with no life. You seriously want the world to know that? Come on dude.

Grim - October 12, 2016, 4:13 pm

In times of horror like this, one must defend his own grounds with the force of a thousand dragons. I'm not letting my reputation get destroyed by some no life normals kid with a micro dick. He will fall. I will rise.
