Thread: [\[Blade And Soul\] Website | Design your character beautifully](#)

**Lufasu** - *October 12, 2016, 8:03 pm*

First of all , this is for blade and soul .

I gonna post here -

Website that will help you to make your character design beautiful!

-----  
Design your character -

A lot of players making their characters look better , they focusing a lot on the design .

So this website is exactly for you -

Nice site mate, will definitely check it out.

**severos** - *October 12, 2016, 9:51 pm*

Damn those look nice, and I'm too lazy that I even go with presets XD

Certainly going to give it more thoughts when making a new char.

**Tsunfire** - *October 12, 2016, 9:53 pm*

Damn if only they had this for Black Desert Online back when I played it like a no life.
