Just to jump on the bandwagon.

Will provide credits @ 30%

100\$ credit for 30\$ BTC

1000\$ credit for 300\$ BTC

Will give a vouch copy for the most reputable member that posts in this thread.

You can provide me with your referral code and i'll add the credits directly to your account. Easy Peasy.

BitcoinLuxury - October 13, 2016, 6:49 am

Will be trying this service, can you boost my account or you sell premade accounts? Will there be a warranty/replacement if we get banned?

Funniest - October 13, 2016, 9:11 am

Can do either. Prefer to boost your account though. If something happens i'll replace credits, but this is safe, havent had any problems.

If anyone has reservations, the amounts can be staggered to 100 credits / 30 btc per trade, repeated until you're happy.
