Well after i got 3 dogs -

<https://hackforums.net/showthread.php?tid=5396469>

I brought a bird -

I dont know about name yet for him yet.

Also he is talking and saying - good morning , want to eat? and sometimes he insult but its cool :D
i will teach him more words ;)

Mr. Robot - October 12, 2016, 9:24 pm

Haha very cool mate, 'lemme know if you need some name suggestions.

So when you walk by you can be like 'what up nigga'

And when someone asks what his name is you say nigga.

lol

Thank you guys , taking care of him atm , releasing him on the house to let him meet the house for now.

He is feeling good now not like the start (scared)

It looks so fucking cute :3 NICE BRSUKII!

IntelCore8700K - October 13, 2016, 11:57 pm

That bird is so freaking cute gimme it pls :3 No jk have some fun times with your bird man :D

Deany - October 13, 2016, 11:57 pm

BRUH

I fucking loveee African Greys
i wanted one soo bad you're lucky

rapidfire08 - October 13, 2016, 11:58 pm

I expected to see a bird trapped in cage but I feel relieved to see it an open space.

He is on cage now , until i teach my dogs that he is friendly .

When they will realize that i will leave him free on the house , with open cage that he can enter when ever he wants.

i never put animal in a cage.

Thanks brother ?

You are welcome to visit !

Deany - October 14, 2016, 12:01 am

Treat em right and they'll be your best friend

I wanted one so bad but I don't got 4k to drop just yet

birds are total bros

axlar - October 15, 2016, 1:55 am

Really nice bird. I am sure you will learn him a lot of words. Those parrots are very clever

Ice Poseidon - October 15, 2016, 1:59 am

Damnnnnn I've always wanted a bird, you're so lucky to have one :/

Was thinking about getting a parrot the other day but idk if I'm ready for the responsibilities yet.

mpete123 - October 15, 2016, 5:36 am

If you could do a video of him talking that would be cool.
