Thread: [\[OFFICIAL LEADERSHIP SPOT : ENIGMA \]](#)

Armada - October 15, 2016, 9:59 pm

Ever wanted a chance to lead a group?

I'm not leaving the scene, but life and such does not allow a position in the group any longer.

I am retiring from enigma's leadership, and pending zSeritys approval, buyouts starting at \$500.

Roger Waters - October 15, 2016, 9:59 pm

Best of luck with this bud.

Deany - October 15, 2016, 10:00 pm

Good luck with sales Amanda

VeloCityMods - October 15, 2016, 10:00 pm

Wish you best of luck selling your spot

Good luck.

Riyu- - October 15, 2016, 10:01 pm

Elitas - October 16, 2016, 7:56 am

Best of luck selling this. GLWS Armada. And good luck to whoever buys the position!

Mad76e - October 16, 2016, 7:58 am

Few leadership changes, Group wants to take a new focus (more than they did before?) and I simply just dont have the time any longer, Orcus and other projects are keeping me busy enough. Id hope I can still remain a member of the group after leadership sale, but I know I will likely get pruned on the next activity check lol.

Just looked back and saw how many leaders there actually are rn xd.

Good luck but honestly with that many leaders it would be pointless imo.

Heart - November 6, 2016, 4:16 pm

good luck selling this love

RumbleFrog - November 7, 2016, 6:14 am

Hopefully Engima would be much more productive with new leader, last time there wasn't any group project at all.

Theres 6 leaders who disagree on everything that all their spots are paid. Its not going to be productive.

ze-slade - November 7, 2016, 9:35 am

Good luck selling this, armada.

This statement is not true.

We have two leaders selling spots.

We have one leader that is MIA.

The three other leaders and the owner are all on the same page.

Muggsy - November 7, 2016, 3:18 pm

GLWS OP. Would buy this if I had the disposable funds.

Nuworld - November 7, 2016, 3:31 pm

Whats your current offer?

Dredd - November 8, 2016, 4:59 am

ill do \$100. Let me know famerino. The group really isnt worth investing in because nothing has
really come of it. I think Zserity just wanted money so he sold leadership spots. No offence to him.

Katarina Du Couteau - November 23, 2016, 12:00 am

buyOUTS?

Am I missing something or is this a troll thread?

Already dropped it 2 bones.. no less. sorry.

And theres inner works, certain leaders may not be around any longer allowing for expansion.

TheChi?f - November 23, 2016, 12:11 am

I think Velocitymods will be removed from leadership after his exit scam...

No denial there, would not sell of a leadership spot if I did not want the cash.

But there is no need for the argument in the thread dude.

Wont support it either, regardless if it makes me money or not.
