Thread: [Helping members who got scammed by Stephanie046](#)

TheVBScripiter - October 16, 2016, 7:25 am

Hey you guys!

This thread is ONLY for members who got scammed by the user Stephanie046.
If this thread isn't allowed, feel free to PM me and I'll remove it instantly!

As you already may have heard.

This user: Stephanie046 is a scammer!

<https://hackforums.net/member.php?action=profile&uid=2987553>

She scammed for:

\$60 (NFL) <https://hackforums.net/showthread.php?tid=5244312>

\$94 (MindFreak™) <https://hackforums.net/showthread.php?tid=5433738>

\$127,70 (Nicolosi12) <https://hackforums.net/showthread.php?tid=5432470> < Added him to Skype.

I AM HERE TO HELP YOU GUYS OUT!

Do you feel like you trusted the wrong person?

Do you feel like it's a HE, instead of a SHE?

Do you feel depressed (like NFL, afraid to deal again at HF) thanks to her?

Do you just want justice?

PM ME. I will do my BEST for you guys to get justice.

If I can't fix any issues for you guys, I will do my best to give you as much information as I can, to comfort you / help you on your way to get justice.

I closed this thread, so she can't SPAM any more lies, like she did in my previous "Community alert" thread!

This is NOT a thread for "info to be leaked", this is NOT a thread to hack Stephanie046, all I'm saying is that I might be able to give you a better feeling after we talked about this scammer. ?
