Thread: [First digital drawing](#)

venomous. - *October 16, 2016, 5:53 pm*

So yeah, this is the first digital drawing I've done using my tablet. I think it turned out alright, but I am also interested in what others think.

With colour:

For your first drawing it turned out pretty great. Line work is pretty nice too man. You can be going places with shit like this, although it's a bit basic, but nothing wrong with that.

Keep it up dog.

Human - *October 16, 2016, 5:55 pm*

Looks fucking nice. Keep it up pussy

Argyl - *October 16, 2016, 5:56 pm*

That look pretty good man! I like the color scheme as well!

panda23 - *October 16, 2016, 7:00 pm*

Good job terrific thumbs up man

VirtusGraphic - *October 16, 2016, 7:19 pm*

I think it turned out way more than alright, love the color scheme & the attention to detail. Very good job.

Skullhead - *October 16, 2016, 7:22 pm*

looks super sick the color looks amazing

trashbag - *October 17, 2016, 10:41 am*

the whole image looks really neat, keep up the good work!

Skrill - *October 17, 2016, 10:46 am*

Nice man looks really good, amazing for your first time

Thank you all for your feedback :) I might start posting more on here.

PabloCE - *October 17, 2016, 2:07 pm*

Damn! That looks AMAZING! Keep it up man you are very talented!

Prophett - *October 17, 2016, 2:08 pm*

Holy shit, that looks amazing! Good work man.
