I was gonna say you can't join the OG team but after searching for the word meaning [turns out it's a kind of bird](#) so I guess that's enough to be OG. I won't get into debate on what's and OG and what not, however for the sake of the contest I will add you to the team.

Everyone else was also added, we have a tie at the moment with 2 members on each of the Spammers and Old Fags team. I'm glad to come back to see 4 new members. Good luck everyone!.
