Thread: [\[FREE\]\[ANYONE\] Award/Upgrade Giveaway. \[NO SIGNATURE REQ\]](#)

test - October 18, 2016, 2:54 am

Hey everyone - testaccountplsignore here.

To celebrate hitting 200 Reputation and as a thank you to everyone who has used my [Currency Exchange](#) and done business with/for me, I am offering one free upgrade to ANYONE, so long as they follow the rules and their account meets the requirements.

So how do you enter? All you have to do is post below, simple as that, the winner will be chosen via a random number generator.

Upgrade Choices:

Requirements:

Active - certain amount of posts per day.

Positive Reputation.

No Open Scam Reports or Deal disputes against you.

High Quality - If all your posts are troll/shitposts you will not receive the prize.

Information: • What if I am already fully upgraded; can I still enter? •

Yes, you can! If you are unable to receive Uber, Leet or Epic due to already having them, you can also choose one of the [Buyable Awards listed here](#). Please note the award must be \$25 or less and only BTC is available unless you find someone to exchange it for one of the altcoins.

• I won but I don't want the reward, can I give it to my friend instead? •

No. If you win, you win and the award will be gifted to you. You can not choose to simply give it to your friend.

• Can I post more than once to increase my chances? •

No. If you are seen posting more than once you will be disqualified. Even if you remove your posts prior to the drawing you will not be eligible at all.

• How can we trust you won't rig it? •

The post number will be decided by a random number generator on the Internet.

This giveaway will end in ONE WEEK from today on the 25th of October. Good luck!
