Still looking for one that does not require signup

**mehdi14** - October 19, 2016, 10:55 am

how it works

bitly . goo.gl

Use a Web 2.0 Link - That's what most of the OGads guys use.

**Bat Cube** - October 20, 2016, 4:20 am

TRY bitly ,i hope this works good for you..

Bit.do and is.gd let you set custom URLs

Check if they are banned
