Thread: [Consist Client - Injectable Ghost Client - 6 Modules](#)

Tenebrous - October 18, 2016, 12:20 pm

Today i will be showcasing me and my friends client. Once it is complete there will be a release thread but for now here is a showcase type thing

Media

<https://www.youtube.com/watch?v=JVLWfCt9...e=youtu.be>

ChakraMode - October 18, 2016, 12:52 pm

The video doesn't exist, fix

SIM-852088 - October 18, 2016, 1:02 pm

Dude nice video, now I can become a Mineman god with this ghost client

scaryguy12 - October 18, 2016, 1:19 pm

i think ghost clients r dum and i think u r dum

rederpz - October 18, 2016, 2:08 pm

oh rly wel i think kosel is dum and i think i am dum 2

AllHax0Skills - October 18, 2016, 5:27 pm

Client is fake. Fucking text mod

TheSween - October 18, 2016, 5:31 pm

This is a pretty cool looking client I would love to give it a try!

MarcelVape - January 3, 2017, 4:27 pm

i think ghost clients r dum and i think u r dum

TheParsimonious - January 3, 2017, 8:42 pm

Mind re-uploading video this seems like quite a nice client by the text.

Ygore - *January 4, 2017, 2:39 am*

You 2 retards do realize this is fucking old and was a scam right?

Tenebrous - *January 10, 2017, 4:56 pm*

It wasnt a scam but Its not being developed anymore

BTCsupplier - *May 12, 2018, 12:02 pm*

This is very old and doesn't work properly. Sorry, but Ygore is right!

Ferex - *June 3, 2018, 9:00 pm*

Jesus this was forever ago
