Thread: [So, this guy got arrested](#)

JoshuTee - October 19, 2016, 4:22 am

Just read in the newspaper that a guy from the same state in Germany as I live got arrested for selling crypters here on HF.

Anybody know more about that? I find it interesting, especially since he's from the same region as me.?

Sure? It says he was arrested last April

Yes, it looks like Razor was the one arrested. The date of his last activity fits to the arrest date, also his age.

Well, better not drop the soap!
