Here you go 50 cent domain!

(Make sure you are using a new account for register.com and are in the USA)

Please leave a vouch if this works for you!

Horizon - October 19, 2016, 3:08 pm

I was kind of hoping you were giving away 50cent.com lol!

Pm'ing you know though, thanks.

EDIT- thanks for sending it over to me!

Can you buy more or just one?

PM me with the details please

'Cynical - October 19, 2016, 3:17 pm

Can you purchase it with BTC? Does it have WHOIS protection?

Please send me the infoz.

Thanks.

ChaosComputerDude - October 19, 2016, 3:17 pm

totally in on this ,

thx in advance

Inked ?Feather - October 19, 2016, 3:18 pm

can we still get this even though you sent it to someone else?

RainSpider3000 - October 19, 2016, 6:47 pm

<https://www.register.com/promo/domain-to-website-v2.rcmx> for 50 cent domains as well! Just

incase OPs method stops working.

edit: send me your method too.

edit 2: wait you never sent it to me...

'Cynical - *October 19, 2016, 7:49 pm*

Method definitely works, but I ended up getting an 88 cent alt. tld from namecheap.

Sick offer, though.

Draako - *October 19, 2016, 8:27 pm*

I would Love to receive this method if possible :)

WikiBoy - *October 19, 2016, 8:31 pm*

Let me get it dude . Thanks in advance

?Optimal - *October 19, 2016, 9:27 pm*

Responded and sent to users above!

RainSpider3000 - *October 20, 2016, 8:12 pm*

Never received the method...

emvee - *October 21, 2016, 3:14 am*

please send me the method thanks!

SirNoobHack - *October 21, 2016, 3:16 am*

Would really like to receive this, thanks in advance mate!

?Optimal - *October 21, 2016, 5:03 am*

Sent to all those above. Enjoy the method!

Pulz - *October 21, 2016, 5:04 am*

Please send me a copy of the method; probably wont make use of it, but if its anything besides godaddy or namecheap then it could be handy in the future.

Brotherhood. - *October 21, 2016, 5:19 am*

can you send me this method? thank you.

?Optimal - *October 21, 2016, 6:15 am*

Messaged to those above, instead of PM's I left it in the post.
