Good luck getting this done. Hopefully there are some beast entries.

Louis Vos - October 21, 2016, 3:37 am

to be honest, something else than the recent userbars, like another theme. All are fine, but some are like meh, 50%. With this I mean not full enough, like for half. That's just my opinion!

Good luck with the group yo

(Oct 24, 2016 10:51 AM)Fictional Wrote: [\[CITE\]](#) How the fuck can people call this kindergarten mess that Doge made a fucking masterpiece? I think I know the conspiracy behind this...

1. #Doge said he couldn't afford smokes.
 2. #Doge made his friends say his shit GFX is good.
 3. OP now becomes delusional and gives #Doge \$100.
 4. #Doge goes and buys his smokes and a lap dance.
 5. OP now regrets his decision while #Doge walks out of the strip club with cumstains on his pants.
- My scheme didn't work. Arcane is up for sale.

No cumstains for me.
