Thread: [Up for challenges.](#)

Jowan - October 20, 2016, 4:45 pm

Hello guys.

I am pretty bored right now.

So i thought i would look through some different websites for vulnerabilities.

All kinds.

Cross site scripting (XSS)

Blind SQL Injection.

SQL Injection.

Any kind!

Give me a target, of course not a impossible one, like etc facebook.

Let me know one :)

Thanks for the challenges.

I am a bit busy right now, but i am up for them when i get time :)

ranequinox2016 - October 21, 2016, 8:00 am

www(dot)equinoxclassic(dot)com --- SORry can't post Domain Adress HF wont allow me LOL

can you try this if ur not busy, pm me if you found somethin
many thanks :)
