To my knowledge, the girl has had seizures before in the past. Idk why she's trying to fight people when she knows she has a health issue. Stupid af.

And completely called for. Shouldn't have trespassed on his property and assaulted him.

He told her to leave and was trying to block her hits as much as possible. Seems like he had enough, so he body slammed her to make her stop.

He did throw a few hits at the girl who started hitting him after that, but chilled out and didn't do it again.

Overall I think he was in the right.

People I saw on social media were like "omg excessive force!!!! she was tiny!! he could've restrained her!!!" yeah.. he tried. The bitch kicked him in the stomach right before he did the slam and he tried to block that with his leg.

The other thing I saw on Facebook that annoyed me about this was the "well the dude shouldn't have called her out of her name!!"

Ok I can go up to someone and call them a fucking cunt, they hit me, they're still at fault.

You control your emotions and don't let words from someone (who shouldn't mean a thing to you) get you upset.

If ya do, you're a fucking weeb.

"omg excessive force, she was tiny"

hypocrites. these kind of people wouldn't be so sorry for her when she would be a strong man. sad

Idgaf what size you are, if you're blatantly attacking me and I can body slam you, I'mma god damn
body slam you.

People always have shit to say until it happens to them lol.

Mr. Robot - October 20, 2016, 7:27 pm

Did he intentionally mean to drop her like that? No. He was just trying to do what anyone who
doesn't want to punch would do, grapple them and restrain.

If that was me, and a guy did that - I would do the same thing.

If I knew they had a medical condition, I would just back up and leave the situation alone.

I hate at the end of the video, they make it out like she was defending herself. The dude recognized
she was a female and put his hands up to make sure she stayed back as she was approaching him.

F?cqlc?? - October 20, 2016, 7:31 pm

He asked her to leave.

She got violent first.

He tried to keep her off of him before slamming her down.

Women clamor for equality for until something like this happens, then they want to be considered
lesser than men.

Obimoto - October 20, 2016, 7:32 pm

Don't assault someone if you aren't prepared to get hit back...

Lithe - October 20, 2016, 7:41 pm

Why is this even a debate? She's clearly in the wrong and anyone who thinks otherwise is entitled to
their own wrong opinion.

oooo we got a bad ass over here guys ??

spooky hacker - October 20, 2016, 7:44 pm

that other girl went spastic she was lookin like a fish out of water

bloop bloop

Gains - October 20, 2016, 7:44 pm

She got her ass knocked out, but honestly the dudes a pussy for not eating a girls punches.

?O?? - October 20, 2016, 7:44 pm

I never intended for this to be a debate I just wanted to know I wasn't the only one who thought that
the girl was in the wrong.

SIM-2059193 - October 20, 2016, 7:46 pm

Not a damn chance.

He told him to leave and she wouldnt, that's enough for a police report.

She attacked him and he did what he had to, to restrain her without using excessive force.

Nah. What a stupid statement. If someone hits you, you hit back.

I mean, she kicked him in the stomach lol. The hits didn't look like they hurt, but I'm sure we all know what she was aiming for. And if she would've hit that and it hurt him enough to make him go down, she would've continued to hit him and he wouldn't have been able to do anything.

And then he would've been called a pussy for letting a girl kick his ass lmao. Lose/lose.

She's in the wrong, end of story. Bitch shouldn't have stepped on his property and started something.

Bitch deserved it. That's my opinion.

kpown - October 20, 2016, 8:27 pm

Women think they are so entitled because they are spoonfed liberal and feminist bullshit constantly. This is why they literally try to fight men whenever they get angry. She had it coming and she shouldn't have been stupid enough to do it. The other girl is stupid too for thinking that a man doesn't have the right to defend himself and trying to also fight the guy.

mofober - October 20, 2016, 8:40 pm

Would have kicked the shit out of her not gonna lie. You come at me on my property too? Your basically asking for it.

Firefly969 - October 20, 2016, 8:59 pm

low key I laughed.

Could have not done it so hard but it was called for. she kept pushing him back then when he raised his hands and she went off.

You would have done it when she would have been a stupid arrogant fag, wouldn't you? Isn't supposed to sound mean, but it's a pity that people think like this

Every other time:

"We should be treated equally to men!"
