Im pretty much sure its real dude

Dennis - October 23, 2016, 6:35 am

This has to be the most retarded trend ever.

ProtonRouting - October 23, 2016, 12:25 pm

It's pure luck, none of these people are calculating velocity or factors, just kids.

It is pure luck thats why i titled it luckiest bottle flips, theres no skill at all but they are pretty cool

monkeykong111 - October 23, 2016, 10:14 pm

i see you really pushing that new youtube channel

Mr. Robot - October 23, 2016, 10:16 pm

Lol what the hell is this, is this really something people find difficult? Try with an empty bottle.

I remember flipping bottles/hats/lighters/erasers/road cones/cigarettes

Yall stoopid
