Thread: [Global boost. \(GOT GLOBAL \)](#)

Does anyone wanna have the lovely opportunity to help a lad get global again?

Recently deranked from Global to SMFC, and I can't stand it. I've tried and tried, but I always encounter legit cheaters on my way.

So is there a legit cheater, that'll maybe wanna give me a little boost?

I live in Denmark, so unless you're raging, it has to be EU.

I hope that someone will help me out! ?

The problem is that I'm a student, and I got my own apartment. I can't use money on "nonsense". ?

Did you check the lobby sub-forum here? you might be able to jump into some legit or rage lobbies.

I did. Nothing to find. ?

Anyway, I got to global. Got a single high MMR boost, and ranked up the next game legit. ?
