Thread: [Doing favours for free](#)

Prophett - October 24, 2016, 9:27 am

I am very bored and feeling generous enough to do some favours for you guys.

I can like, comment, subscribe, follow etc. on any social media platform.

In addition, I am able to provide free UK SMS verification.

I can also wear signatures so PM me with your code. I post a lot which will help with advertisement.

If you need anything else doing, comment below and I will see what I can do!

Done both.

Copy paste my signature and use it.

Not even an ad or anything, just an idea that needs sharing in a time when ignorance rules the world :)
