T.O.S

I can refuse to deal with anyone I deem untrusted.
Once paid, you can't cancel your order.
Don't message me if you have open scam reports.

I will not provide any sort of vouch copies whatsoever, so please don't post any replies like that.

Will this work for all iOs versions, for all phones? Let's say I have an iPhone 6S 64GB with iOS 10, would you be able to unlock it?

Regards,

Regards,
This is only for iPads & iPods, sorry. I will be posting a new thread in the future with a possible iCloud unlock for iPhones.

It completely removes it.

Raleway - October 26, 2016, 10:54 am

Will it work on iPads that are not 4G?

Absolutely it will.

Hyptonix - October 26, 2016, 9:42 pm

I know this method so I'm 100% sure this works. Vouch for Alex.

wiz - October 26, 2016, 10:42 pm

This server is completely down. You won't be able to do it anymore :)

lilmoeyx - October 26, 2016, 11:37 pm

Does the method still work?

Yes.

Alex, can you double check. I am the biggest supplier for this service ;)

Once mine is back online i am more than happy to resell to you!

NaDe - October 27, 2016, 8:18 pm

What is the price for your service?

Out of respect, i will not hijack this posting.

However, when it is back online, i will go ahead and start a thread :)

Nyxuo - October 27, 2016, 9:58 pm

Image is broken. What are you charging for doing this Alex?
