Thread: [Scammed 7\\$ by user=1743548 07 GOLD](#)

KingCupa69 - October 24, 2016, 11:16 am

Hey everyone i am new to the OLDSchool gold selling scene if a user has decent rep i usually go first no question asked this user messaged me saying he would buy everything right now and told me to add him on Skype and stooped replying to my pm on here seemed suspect but it is 7\$ who needs to scam for that much lol apparently this guy i guess, he tells me world and place i am there and trade him accept and he stops replying after he says sent check my PayPal every minute for 15 minutes still now reply to anyone dealing with this guy please don't go first you are at risk of being scammed thanks in advance!

Proof of fraudulent activities.

And i dont care about the 7\$ he can have it i really don't want anyone to loose real money to someone like this thanks everybody if you need any further proof please PM me or drop a comment on this thread.

And is there any way a admin can contact me i recorded the whole transaction from the second he messaged me to the second he scammed me.

Looks like you dealt with an imposter, I only deal onsite. sry

KingCupa69 - October 24, 2016, 11:19 am

nice totally not you on the skype name that you sent me to add ON SITE.

Legit report. random person is exit scamming.

KingCupa69 - October 24, 2016, 11:24 am

Thankfully it wasn't a large amount but it is kinda funny that he responded to this thread like 2 minutes after it was posted as if he expected it to pop up weird. Anyways back to business and i look forward to doing a lot more transaction on this site for the most part great community.

Why do people still deal with this retard

Look up his UID for god sakes

It's just \$7 but still lol

.Grim - October 24, 2016, 2:52 pm

almost got scammed by him, checked his rep. hell no.

\$7 bruh this made me crease sorry for your loss OP

Koopa. - October 25, 2016, 8:07 am

That user is a sketchy monster man, why did you deal in the first place?

KingCupa69 - October 25, 2016, 9:50 am

he had a tone of rep and seemed legit has all kinds of acalades im still kinda new to the market seen here,my first couple transactions with the leet and ubers have went really well just a small hiccup i am more glad he dint down rep me i am trying to establish myself as a legit trader but its the past now i met a reliable buyer things are going well. thanks everyone!
