Thread: [Scammed 133\\$ from "a white man" UID=1743548](#)

Zeroxal - October 24, 2016, 1:12 pm

We agreed on a BTC to PayPal deal via PM. I went first by sending him 125\$ in BTC and am still awaiting his PayPal to be sent to me. He just ignores my PMS, changed his username and replies with meaningless sht.
