Thread: [50k Bits Profit ! UPDATE : 150k+ bits profit now..](#)

ShNuG - October 24, 2016, 9:29 pm

Good day today..

Made 50k Bits profit in SM under 30 minutes... It's not much.. but again !

Started off with 50k Bits...

Profit is guaranteed. I am using Satoshimines bot with some tweaked settings. This was a test organised by 1 newcoming l33t member. Credits goes to him.

Hope to make big soon.

Made \$75 today. Only hit 1 tile of 1000 bits only..

Woot

Congrats! Any type of profit is better than a loss. Would you mind sharing the bot?

This^ wouldn't mind making 50k bits profit myself lol. But nice job dude I remember I tried using a program on satoshimines and I lost all my bits.

You should consider becoming a business partner with Black Shadow!
