Thanks!

And I think I'm gonna be uploading intros and shit like that.

Here's an actual image:

Looks clean, flows well. The font isn't my favorite. Kinda hard to make out the I but it does look good with the over-all finished product so it works. Good job.

I like it..though I've sen a lot of similrs in the GFX section, but still it's well done.

PS subbed as Diamon Media, mind subbing back?
