It's in the thread design

breaker1911 - October 29, 2016, 4:00 am

Sorry guy, i've making a little problem in runtime-test last time
the crypter not bypass Kaspersky in run-time.

if you like me review, please rate for me xD, i'm really appreciate it.

H4x10r - October 29, 2016, 4:13 pm

Vouch interesting how about the price

Stixio - October 29, 2016, 4:15 pm

So you seriously made a thread, Instead of detailing it texted wise?

i'm trying to make a friendly threads.
i will try to improve the quality of review and the way i showup my review xD
*i think text will be bad cause people will never read it all, by the graphics they can easily read and remember it all and yeah, its make the thread more professional

elmagnifico - January 9, 2017, 5:13 am

hello Breaker, i need this product pm me with directions on how to purchase
thanks

Metaxsploit23 - January 9, 2017, 11:25 pm

Interesting me too for vouch, when you finish that ?

ossyfrank - *January 24, 2017, 3:12 am*

i paid for this product but i haven't received yet

ossyfrank - *January 25, 2017, 5:45 pm*

I guess this account is no longer in use,so no need to pay for the crypter as you will not receive and no body will attend to you thanks
